"b_Package Contence" is this document.

"i5Pr-BSCT-ABaoi_2.00" is the package for a Lenze i5 Protec Inverter

"i550-BSCT-ABaoi_2.00" is the package for a Lenze i5 Cabinet Inverter

This distrubition is dated 11/11/2020

Package Notes:

- EDS files are based on release 3_4, Please note that different versions of EDS files will affect the interchange of data between the E/IP interface, and the EDS definitions, and can result in error's, please use the associated package EDS files with the AOI blocks.
- Please consult chapters 3 if using a different EDS file with the AOI block, as the AB reference to the data type will need to be modified.
- Please note there are 2 EDS files for the i5 cabinet drive, based on firmware revision, prior to Firmware 6.2 and after.
- Questions should be directed to the Allen Bradley expert team.
